COLONEL ALBERT SCOTT, Chairman of the Republican State Campaign Committee, ridicules the claims of the Democrats that they will reduce the Republican majority in the Eleventh District to about 12,000 votes. He claims that the Republicans will carry the Eleventh District this time by about 20,000 majority.

"THE spirit of irreverence is spreading in the Churches," thundered Bishop JOHN M. WALDEN in summing up the religious outlook in an address to the Methodist Ministers of Cincinnati at Wiley Hall. "Time was," declared the Bishop, "when almost every person who came into a Methodist Church to worship went down on his knees the first thing and spent a minute or two in silent prayer. That is no longer the case, and you rarely see such a thing nowadays in the modern Church."

AN EXPERT LIAR ALSO.

Staunton Spectator.

There is an old Confederate soldier now visiting some friends in Greenbrier county, W. Va., who was a holy terror in battle. He was a shot from 'way back. Among his feats of marksmanship the following simple exploits, we are told, are performed: He can suspend a bottle by a string, shoot and cut the string and then break the bottle with another shot before it hits the ground. With a small calibre gun and a large lead pencil he can knock the lead out when the pencil is thrown into the air, and not injure the wood covering. A favorite pastime with him is to start a barrel rolling down hill and put a bullet through the bung hole every time the barrel turns over. We call this good shooting.

REV. J. B. SIMONS.

Rev. Joshua B. Simons died at 10:30 o'clock last night at his home in East Third street, after an illness dating since March last.

Deceased was born in Adams county, Ohio, June 9th, 1842, and came to Maysville twenty-three years ago.

He was well known throughout this section, where he preached at various points.

Mr. Simons was a veteran of the Civil War.

Surviving him are his wife and four children—Mrs. Ulysses Johnson of Mt. Olivet, Mrs. John Gervin, Messrs. J. C. and R. L. Simons of this city.

The time for the funeral has not been determined, but the interment will be in Maysville Cemetery.

Suckers were plentiful at the Aberdeen Fair yesterday and the harvest reaped by the men of the green cloth was a sight to see.

Of course, among the innocents shorn of their wealth was the man from Mason county, and but for the intervention of the "Man from Maysville" he would have parted with a good sized roll of Uncle Sam's greenbacks.

As it was he dropped his wad of \$65 in double quick time and then let out a squeal for his money.

The interference of two Maysville gents saved the Mason countian his cash and it is hoped he will never go up against another brace game.

WINCHESTER AND RICHMOND

Give Willson and Cox Great Demonstration—Victory Appears Certain.

A. E. Willson, Republican candidate for Governor, entertained for more than two hours an audience of more than 700 Clark county people at the Winchester Opera-house Monday. The meeting had been arranged for the Courthouse, but the Courthouse was too small to accommodate the crowd. About one third of the audience were Democrats, who seemed to take much interest in the address. After the speaking a number of them went up to shake his hand and proffer their services at the coming election.

The feature of the occasion was the introduction of John E. Garver, a lifelong Democrat, formerly Mayor of that city, and one of the most popular orators in that section of the state. Mr. Garver declared his intention to vote the Republican ticket this fall, and said that the time had come when Kentucky should have men in the Governor's chair and in the Senate Chamber of whom the people were proud, and not constantly called on to apologize for.

Mr. Willson's voice was quite weak, and showed the result of overwork. His speech was absolutely devoid of personalities, but presented the issues strongly, so that when he was through one felt that the Republican cause had been put before the jury of the people by a skillful lawyer.

AT RICHMOND.

At the home of Senator James B. McCreary and before an audience one-half Democratic, who supported their neighbor and townsman in the premature primary of 1906, Augustus E. Willson, the Republican nominee for Governor, Wednesday told how the choice of the Democratic party of Kentucky for United States Senator was robbed of his nomination by the Frankfort machine.

Mr. Willson went at length into facts and figures, and the stories of Peter, Frozen, Quick Sand, Troublesome and Johnson were again related to Senator McCreary's many friends there.

EX-SHERIFF JEFFERSON

Injured in a Runaway—Collarbone Broken and Otherwise Shaken Up

Wednesday evening while out driving, accompanied by Miss Florence Chancelor of Millersburg, who is here visiting her sister, Mrs. Frank Armstrong of Forest avenue—Ex-Sheriff Chan Jefferson met with a serious accident whereby he sustained a fracture of the left collarbone, and was otherwise injured.

They were returning from a drive in the country, having visited the home of Mr. Jefferson's brother. The animal was a spirited one, and in passing North over Lexington street and when about to pass under the L. and N. bridge at the railroad crossing, the horse frightened at an oncoming train and became restless and acted badly. Mr. Jefferson pulled the horse to its knees, and during the respite bade Miss Chancelor alight from the buggy, which she did without the least harm befalling her.

The bright lights from a Gypsy camp lined along the West side of the road tended to increase the horse's fright, which began rearing and kicking furiously. In pulling the horse to the East side to keep it from going over the embankment, the vehicle upset, and in the demolition that followed Mr. Jefferson received his injuries.

He is at his home in West Fourth street resting as comfortably as could be expected under the circumstances. The clever gentleman's legion of friends hope that his confinement, as well as his aches and pains, will be of short duration and that he will soon be able to appear on the streets again.

Danderine

GREW MISS LEWIS' HAIR AND WE CAN PROVE IT

The Great Danderine Never Fails to Produce the Desired Results

MISS Lewis' hair was very thin and it was less than two feet in length when she began using Danderine. She says her hair and scalp are now fairly teeming with new life and vigor. That's the main secret of this great remedy's success as a hair grower. It enlivens, invigorates and fairly electrifies the hair glands and tissues of the scalp, causing unusual and unheard-of activity on the part of these two most important organs, resulting in a strenuous and continuous growth of the hair.

The following is a reproduction of Miss Lewis' last letter:

January 3, 1905.

Dear Doctor Knowlton:—

You know I told you in my first letter that my hair would not reach much below my shoulders, and that all of it together only made one tiny braid.

I am sending you my photograph, which I had taken at Stevens Bros. It tells the whole story better than I can tell it.

Everybody I know is using Danderine, so you see I am doing something to show my appreciation.

Sincerely yours, (Miss) EVA LEWIS.

Danderine makes the scalp healthy and fertile and keeps it so. It is the greatest scalp fertilizer and therefore the greatest hair-producing remedy the world has ever known. It is a natural food and a wholesome medicine for both the hair and scalp. Even a 25c bottle of it will put more genuine life in your hair than a gallon of any other hair tonic ever made. It shows results from the very start.

NOW at all druggists in three sizes, 25 cents, 50 cents and \$1. per bottle.

FREE. To show how quickly Danderine acts we will send a large sample free by return mail to any one who sends this advertisement to the Knowlton Danderine Co., Chicago, with their name and address and 10 cents in silver or stamps to pay postage.

GOOD NEWS.

Many Maysville Readers Have Heard It and Profited Thereby

"Good news travels fast," and the thousands of had back sufferers in Maysville are glad to learn that prompt relief is within their reach. Many a lame, weak and aching back is had no more, thanks to Doan's Kidney Pills. Our citizens are telling the good news of their experience with the Old Quaker Remedy.

Here is an example worth reading: John Wallingford, living at the corner of Commerce and East Second streets, Maysville, Ky., says:

"I first procured Doan's Kidney Pills in 1899 and they stopped an attack of backache which had annoyed me for some time. My wife at that time gave for publication in our local papers a statement telling of the great benefit I had derived from Doan's Kidney Pills, and now, some five years later, I can say that the cure then effected has been complete and permanent. My back and kidneys have never given me the least cause for complaint. Mrs. Wallingford also appreciates the value of Doan's Kidney Pills from personal experience with them. She suffered most acutely with backache, especially at night, and Doan's Kidney Pills promptly and thoroughly cured her."

READ THIS AND
PROFIT THEREBY!

This is a trying time of the year. Many discomforts arise from the heat. The best way to be comfortable is by bathing often, at least twice daily, and by using a liberal quantity of talcum powder. By bathing often one keeps the skin clean and the pores open, thereby allowing the entire body to "breathe freely," which means perfect health.
The best soap to use for the bath and toilet is Pears' Complexion Soap, a non-injurious, healthful soap. Talcum powder keeps the skin cool, allays heat rash, stops chafing and is an excellent toilet requisite. We have a number of kinds.

Falling hair is caused by germs at the roots of the hair. Dandruff is caused by germs on the scalp. Your doctor knows why Ayer's Hair Vigor, new improved formula, quickly destroys these germs. Makes the scalp clean and healthy. We publish the formulae of all our preparations. Lowell, Mass.
